Rising Scholars Student Organization

Selected by the Associated Student Government

The Rising Scholars Student Organization has been selected to receive the 2022 - 2023 Outstanding Club of the Year Award from the Associated Student Government. This award honors the club for providing exceptional service, advocacy and events for the students and campus community of Santa Barbara City College. In particular, the ASG appreciates the Rising Scholars' responsiveness, unwavering commitment to supporting system-impacted students on campus, and for extending their outreach into the wider community.
